

## Notice to All Patients

The following rates for Dr Nancy Jia BMed, MD, FRACGP will be in place from July 1, 2023 onward, subject to changes and additions, with appropriate notice. Medicare rebates are set by the Federal Government, and therefore are also subject to change, as per the annual Federal Budget and government agenda. Please note that no rebate can be applied if the patient being reviewed is not in attendance during the consultation.

All other consults, including procedures, will be have other fees and rebate rates, which will be discussed and confirmed during consultation. All fees will need to be paid upon service provision. Certain vulnerable populations may continue to be bulk-billed at the doctor's discretion; please ensure all your details are up to date prior to attending your consultation.

Paperwork (and other administrative tasks) to be completed by General Practitioners for a patient who is not in attendance does not attract a Medicare rebate, and will be charged at a rate of \$25.50/5 minutes (plus GST).
